

TARGET GENDER EQUALITY

Setting and meeting ambitious corporate targets for women's representation and leadership

A global programme focused on local collaboration, driving bold business action to advance gender balance in business and accelerating progress to achieve the Sustainable Development Goals.

PROGRAMME OVERVIEW

Target Gender Equality is an accelerator programme for companies participating in the United Nations Global Compact to deepen their implementation of the Women's Empowerment Principles and to strengthen their contribution to Sustainable Development Goal (SDG) 5.5 which calls for women's full participation and equal opportunities for leadership by 2030.

Through performance analysis, capacity building workshops, peer-to-peer learning and advocacy, Target Gender Equality has supported over 800 companies in more than 40 countries to date in setting and meeting ambitious targets.
